

Press Releases: Iraqi Parliamentary Election

Press Statement
Mike Pompeo

Secretary of State

Washington, DC
May 12, 2018

The United States congratulates the Iraqi people on today's parliamentary election. Citizens from every ethnic and religious group, and from all 18 provinces, including those internally displaced, made their voices heard.

The newly elected members of parliament will have the important task of forming an inclusive government, responsive to the needs of all Iraqis. We hope this process moves quickly, and on the constitutional timeline, so that Iraq can continue moving toward a more secure, prosperous, and brighter future.

The United States stands ready to partner with Iraqi leaders as we continue to build a long-term relationship of cooperation and friendship between our two nations – a strategic partnership based on the Strategic Framework Agreement that will contribute to stability in the region and growing peace and prosperity in Iraq.
