October 6, 2017

The Department of State has awarded the construction contract for the new U.S. Embassy in Mexico City, Mexico to Caddell Construction Company of Montgomery, Alabama.

The new campus will include a Chancery, Marine residence, and support facilities.

The architect for the project is the joint venture of Tod Williams Billie Tsien Architects/Davis Brody Bond of New York, New York.

Since 1999, as part of the Department's Capital Security Construction Program, the Bureau of Overseas Buildings Operations (OBO) has completed 138 new diplomatic facilities, with an additional 61 projects now in design or under construction.

OBO's mission is to provide safe, secure, and functional facilities that represent the U.S. government to host nations and support our staff in the achievement of U.S. foreign policy objectives. These facilities represent American values and the best in American architecture, engineering, technology, sustainability, art, culture, and construction execution.
