

Press Releases: Violence in Aden, Yemen

Press Statement
Heather Nauert

Department Spokesperson

Washington, DC
January 29, 2018

The United States is concerned by reports of deadly clashes in Aden. We call on all parties to refrain from escalation and further bloodshed. We also call for dialogue among all parties in Aden to reach a political solution. The Yemeni people are already facing a dire humanitarian crisis. Additional divisions and violence within Yemen will only increase their suffering. A political dialogue represents the only way to achieve a more stable, unified, and prosperous Yemen.
