

Primary One Central Allocation results to be posted to parents from June 7 to 8

The Education Bureau (EDB) reminded parents today (June 1) that the results of the Central Allocation for Primary One Admission (POA) 2023 will be mailed to parents from next Wednesday to Thursday (June 7 to 8).

Release of Central Allocation results

"A total of 20 355 children took part in Primary One Central Allocation 2023. Among them, 16 688 children were allocated to schools of their first three choices," a spokesman for the EDB said.

"Taking into account discretionary places and the number of children allocated to schools of their first three choices in the Central Allocation, the overall satisfaction rate is 91.2 per cent."

The Central Allocation of POA is composed of two parts. Ten per cent of the places for the Central Allocation, which are not restricted by school nets, are under Part A and parents may choose up to three schools in any school net. The remaining 90 per cent of the places for the Central Allocation are under Part B and parents are required to select schools in the school net/Choice of Schools List in respect of the applicant child. Of the places allocated to children in the Central Allocation, 2 284 are under Part A and 18 071 are under Part B.

Parents who completed the Choice of Schools Form for the Central Allocation on or before February 5 this year will receive the Primary One Registration Form delivered from June 7 to 8 through the Local CourierPost service provided by Hongkong Post. If door delivery by Hongkong Post fails, a Mail Collection Notification Card will be left for parents to collect it from the designated post office starting from the afternoon of the following working day. If parents have not received the Primary One Registration Form or the Mail Collection Notification Card issued by Hongkong Post by June 9, they could collect the Primary One Registration Form at the designated collection centre from June 10 to 11 (please refer to the EDB's POA System webpage for details then). If parents have provided a mobile phone number on the Choice of Schools Form and indicated their consent to receive the Central Allocation results via the mobile phone number, they will also receive the results of their applicant children via SMS on June 7. In addition, parents who have already activated their POA e-Platform (ePOA) account via "iAM Smart" or "iAM Smart+" (www.iamsmart.gov.hk/en/reg.html) could check the Central Allocation results through the ePOA from 10am on June 7. Please refer to the related videos and Parents' Guide on the EDB homepage (www.edb.gov.hk/en/edu-system/primary-secondary/spa-systems/primary-1-admissi

on/poa_eplatform/index.html) for details of the procedures for activating and logging into an ePOA account and for checking allocation results via the e-Platform.

Registration of pupils

The EDB will assign timeslots for parents to register with the allocated school on June 13 (Tuesday) or June 14 (Wednesday) according to the last digit of the applicant child's POA application number. Parents are requested to complete the registration formalities within the specified date and time as listed on the Arrangements on Registration attached to the Primary One Registration Form. Parents who cannot proceed with the registration within the specified date and time may register on June 15 (Thursday), from 9am to noon or 2pm to 4pm.

The spokesman reminded that parents who cannot register their child with the school on the above dates due to matters of grave importance should notify the person in charge of registration of the school concerned in advance to make alternative arrangements. Otherwise, they would be deemed to have given up the school place allocated.

Special arrangements for applicant children on Mainland or overseas

The EDB has made special arrangements for parents of applicant children on the Mainland or overseas. These parents could authorise a representative to register with the school on their behalf on the specified registration dates. The EDB has already informed all parents of applicant children concerned about the special arrangements.

Arrangements for special circumstances

Should parents decide to give up the place allocated because of special circumstances, such as moving to another school net far from the school allocated, they should not register their child with the school allocated. Under such circumstances, they are advised to go to the EDB's School Places Allocation Section, Office 2, 2/F, Manulife Financial Centre, 223 Wai Yip Street, Kwun Tong, Kowloon, to make necessary arrangements for transfer. They should bring along the Primary One Registration Form, the original and copies of documents showing proof of the new address (such as a rental contract, rates demand notes, or water or electricity bills bearing the name of the parent or the guardian of the child).

Any parent who finds it necessary to transfer his/her child to another school after registration is strongly advised to obtain an assurance of acceptance from that school before retrieving the Primary One Registration Form from the original school because retrieval of the registration form means cancellation of the allocated school place.

In case of inclement weather or other special circumstances during the period for the announcement of results or on any day(s) designated for registration, parents should pay attention to announcements on radio and television for special arrangements for Central Allocation or registration.
