

Proposed sewerage works for Outlying Islands Sewerage Stage 2 – Lamma Village Sewerage Phase 2 Package 2A authorised

â€‹The Chief Executive in Council has authorised the proposed sewerage works for "Outlying Islands Sewerage Stage 2 – Lamma Village Sewerage Phase 2 Package 2A – Village Sewerage Works at Tai Yuen (Part), Ko Long (Part), Wang Long, Tai Wan San Tsuen, Tai Wan Kau Tsuen and Tai Wan To (Part)". The notice on the authorisation of the proposed sewerage works was gazetted today (February 26).

The proposed sewerage works comprises the following:

- (i) the construction of a sewage pumping station at Tai Wan To;
- (ii) the construction of twin rising mains and gravity sewers; and
- (iii) ancillary works including the required utilities diversion, road and drainage works, provision of manholes, temporary closure and reinstatement of carriageways/footpaths/open space, necessary architectural, building services and landscaping works.

Construction works for the scheme are to be carried out by the Drainage Services Department.

Details of the sewerage scheme were published in the Government Gazette on September 27, 2019; October 4, 2019; June 19, 2020 and June 26, 2020.
