

Public hospitals daily update on COVID-19 cases

The following is issued on behalf of the Hospital Authority:

As at 9am today (September 10), 25 COVID-19 confirmed patients were discharged from hospital in the last 24 hours. So far, a total of 4 582 patients with confirmed or probable infections have been discharged.

At present, there are 678 negative pressure rooms in public hospitals with 1 209 negative pressure beds activated. A total of 193 confirmed patients are currently hospitalised in 19 public hospitals and a community treatment facility, among which 21 patients are in critical condition, eight are in serious condition and the remaining 164 patients are in stable condition.

The Hospital Authority will maintain close contact with the Centre for Health Protection to monitor the latest developments and to inform the public and healthcare workers on the latest information in a timely manner.

Details of the above-mentioned patients are as follows:
