

Public hospitals daily update on COVID-19 cases

The following is issued on behalf of the Hospital Authority:

As at 9am today (October 14), one COVID-19 confirmed patient was discharged from hospital in the last 24 hours. So far, a total of 4 932 patients with confirmed or probable infection have been discharged.

At present, there are 623 negative pressure rooms in public hospitals with 1 115 negative pressure beds activated. A total of 137 confirmed patients are currently hospitalised in 18 public hospitals, among which 11 patients are in critical condition, eight are in serious condition and the remaining 118 patients are in stable condition.

The Hospital Authority will maintain close contact with the Centre for Health Protection to monitor the latest developments and to inform the public and healthcare workers on the latest information in a timely manner.

Details of the above-mentioned patients are as follows:
