

Public hospitals daily update on COVID-19 cases

The following is issued on behalf of the Hospital Authority:

As at 9am today (August 24), two COVID-19 confirmed patients (case numbers: 12031 and 12032) were discharged from hospital in the last 24 hours. So far, a total of 11 768 patients with confirmed or probable infection have been discharged.

At present, there are 565 negative pressure rooms in public hospitals with 1 027 negative pressure beds activated. A total of 47 confirmed patients are currently hospitalised in nine public hospitals and the North Lantau Hospital Hong Kong Infection Control Centre, among which one patient (case number: 9907) is in serious condition and the remaining 46 patients are in stable condition.

The Hospital Authority will maintain close contact with the Centre for Health Protection to monitor the latest developments and to inform the public and healthcare workers on the latest information in a timely manner.
