

Public hospitals daily update on COVID-19 cases

The following is issued on behalf of the Hospital Authority:

As at 9am today (October 4), six COVID-19 confirmed patients (case numbers: 12186, 12187, 12188, 12189, 12190 and 12191) were discharged from hospital in the last 24 hours. So far, a total of 11 926 patients with confirmed or probable infection have been discharged.

At present, there are 569 negative pressure rooms in public hospitals with 1 054 negative pressure beds activated. A total of 52 confirmed patients are currently hospitalised in eight public hospitals and the North Lantau Hospital Hong Kong Infection Control Centre, and all of them are in stable condition.

The Hospital Authority will maintain close contact with the Centre for Health Protection to monitor the latest developments and to inform the public and healthcare workers on the latest information in a timely manner.
