

Public hospitals daily update on COVID-19 cases

The following is issued on behalf of the Hospital Authority:

As at 9am today (October 18), two COVID-19 confirmed patients (case numbers: 12263 and 12264) were discharged from hospital in the last 24 hours. So far, a total of 11 994 patients with confirmed or probable infection have been discharged.

At present, there are 568 negative pressure rooms in public hospitals with 1 040 negative pressure beds activated. A total of 52 confirmed patients are currently hospitalised in nine public hospitals and the North Lantau Hospital Hong Kong Infection Control Centre and all of them are in stable condition.

The Hospital Authority will maintain close contact with the Centre for Health Protection to monitor the latest developments and to inform the public and healthcare workers on the latest information in a timely manner.
