

Public hospitals daily update on COVID-19 cases

The following is issued on behalf of the Hospital Authority:

As at 9am today (February 4), 36 patients who had tested positive for the SARS-CoV-2 virus were discharged from hospital in the last 24 hours. So far, a total of 12 916 patients have been discharged.

A total of 1 408 patients who had tested positive are currently hospitalised in the North Lantau Hospital Hong Kong Infection Control Centre, the Hospital Authority (HA) Infectious Disease Centre, the Community Treatment Facility at AsiaWorld-Expo and 13 public hospitals. One of the patients is in critical condition while the remainder are in stable condition.

The HA will maintain close contact with the Centre for Health Protection to monitor the latest developments and to inform the public and healthcare workers on the latest information in a timely manner.

The case numbers of the discharged and critical patients are as follows:
