

Public hospitals daily update on COVID-19 cases

The following is issued on behalf of the Hospital Authority:

As at 0.00am today (April 23), a total of 2 182 patients who tested positive for COVID-19 are currently being treated in the North Lantau Hospital Hong Kong Infection Control Centre, the Hospital Authority (HA) Infectious Disease Centre, the Treatment Centre for COVID-19 (AWE) and public hospitals. There were 350 patients who have recovered, including 232 patients who have been discharged. In addition, nine patients who passed away in public hospitals were reported.

The HA will maintain close contact with the Centre for Health Protection to monitor the latest developments and to inform the public and healthcare workers on the latest information in a timely manner.
