

# Public reminded to keep venues clean during fireworks display

Attention radio/TV announcers:

Please broadcast the following at suitable intervals:

With the 2025 Chinese New Year Fireworks Display scheduled for this evening (January 30), the Leisure and Cultural Services Department reminds members of the public to keep places clean while enjoying the display, take their belongings with them when leaving the venues, and not to leave trash behind.

The Tsim Sha Tsui promenade area, the piazza area of the Hong Kong Cultural Centre, and the waterfront of Hong Kong Island North, will be crowded. Members of the public intending to go there should be careful and pay attention to their safety.
