

Public services of PlanD to resume as normal on September 15

The Planning Department announced today (September 10) that its public services will resume as normal starting from next Tuesday (September 15).

Counter services of the Planning Enquiry Counters (PECs) of North Point Government Offices (NPGO) (17/F) and Sha Tin Government Offices (14/F) will return to normal, including enquiry services on general planning information and inspection of documents required under the Town Planning Ordinance.

Meanwhile, in view of the need to reduce people flow and social contacts, the PECs will restrict the number of visitors at any one time. Members of the public are encouraged to make enquiries through the telephone hotline (2231 5000) or email (enquire@pland.gov.hk), and can visit the PlanD's website (www.pland.gov.hk) for general planning information.

In addition, the receipt and dispatch counter of the department (18/F, NPGO) will resume normal service.

The City Gallery will be partially re-opened. Touch-based interactive exhibits, public programmes, educational activities and docent services will continue to be temporarily suspended until further notice.

For enquiries, please call the hotline 2231 5000 during office hours or visit the PlanD's website.
