

Public urged not to burn wax, fly sky lanterns or litter at LCSD venues during Mid-Autumn Festival

The Leisure and Cultural Services Department (LCSD) today (September 18) appealed to the public to keep places clean and tidy and not to burn wax or fly sky lanterns when celebrating the Mid-Autumn Festival.

"To provide a better environment for members of the public to enjoy the festive occasion, we appeal to them not to burn or melt wax. They should not sprinkle or pour liquids onto hot wax. Metal cans or non-flammable containers should be used to collect melted wax for easy disposal into litter bins after the containers cool down," a spokesman for the LCSD said.

"Moreover, members of the public should not throw glow sticks or other objects onto trees, as doing so may cause damage to the trees and affect the cleanliness of venues. Furthermore, they should not fly sky lanterns as it might cause injuries or damage to property."

Noting that a new set of [television](#) and [radio](#) Announcements in the Public Interest (APIs) has been launched to make similar public appeals, the spokesman said patrols will also be stepped up at the department's venues including parks, public beaches and barbecue sites on September 23 and 24. About 1 000 staff will be deployed to take enforcement action against littering, wax burning, throwing objects onto trees and flying sky lanterns on these two nights.

Members of the public may call the LCSD's hotline on 2414 5555 to report any wax burning or flying sky lantern cases, or other irregularities found at LCSD venues.
