

# Thematic update on progress against the Grenfell Tower Inquiry Phase 1 recommendations

These documents provide updates on the progress that has been made to implement the recommendations from the Grenfell Tower Inquiry Phase 1 report. They include updates from the relevant government departments and assurances received from relevant public authorities – including the London Fire Brigade (LFB), National Fire Chiefs Council (NFCC) and other emergency services – on their progress to address and implement the Phase 1 recommendations directed to them.

These updates, and the government's commitment to update regularly, will bring considerable transparency to what is a vitally important area of work.

These documents do not reflect finalised government policy.
