

Queen Elizabeth Hospital announces passing away of COVID-19 patient

The following is issued on behalf of the Hospital Authority:

The spokesman for Queen Elizabeth Hospital (QEH) today (December 9) announced that a patient confirmed with COVID-19 passed away today.

The 75-year-old female patient (case number: 6342) was admitted to QEH on November 29 for treatment on her chronic illness. She was later tested positive for COVID-19. The patient's condition continued to deteriorate and she eventually succumbed at 5:39pm today.

The hospital was saddened about the passing away of the patient and would offer necessary assistance to her family.

Including the above case, 112 COVID-19 confirmed patients have passed away in public hospitals so far.
