The RAF in Concert Tour will see RAF bands visit 12 locations around the UK, starting in High Wycombe on 7th October and ending in Norwich on 3rd December.

Over the course of the past 70 years, music legends from the United States have all influenced and shaped the soundtrack to our lives with sounds from the Swing Era, Rock & Roll, Country and Motown. The RAF in Concert Tour will pay tribute to these iconic legends with numbers that are set to impress.

The band will take audiences back in time through the past seven decades – from Sinatra to Streisand, Basie to Bernstein, the programme of music includes *Send in the Clowns*, *Hoe Down*, *Stars & Stripes March* and *I Left My Heart in San Francisco*.

Tour organiser, Tina Outlaw said: "We've brought together a fantastic programme of music to really celebrate the great American legends and the influence their music has had on all our lives over the past 70 years. From Sinatra to Elvis and Dolly Parton, the audiences are set for a fantastic evening".
