

RAF Typhoons arrive in Estonia

RAF Typhoons arrive in Estonia

The Minister for Armed Forces announces Royal Air Force Typhoons will be conducting a training mission in Estonia.

The Minister for Armed Forces Mark Lancaster TD MP has met the first two Typhoon Fighters from 3 (Fighter) Squadron Royal Air Force to deploy to Estonia to conduct this training mission.

The Typhoon jets arrived to conduct Air Land integration training with the British Army Battlegroup currently deployed in Estonia as part of the NATO Enhanced Forward Presence Operation.
