

Rebecca Long-Bailey comment on Colman's factory closure in Norwich

Rebecca

Long-Bailey MP, Labour's Shadow Business Secretary, commenting on the closure of

Colman's mustard factory in Norwich, said:

"The closure of Colman's in Norwich is a blow not only to the workers at Colman's and their families but to the town and region more generally.

"Despite their claims to the contrary, the Government haven't done anywhere near enough to stop this closure.

"This highlights exactly why we need a Labour government with a forward thinking industrial strategy to attract and keep firms in the UK."
