

Recording of the week: Listening to Sun Ra in the year 4000

Publicity shot of Sun Ra, 1973. Distributed by Impulse! Records and ABC/Dunhill Records. Photographer uncredited. Public domain. Throughout his long career the pianist, composer, bandleader and Afrofuturist pioneer Sun Ra (1914-1993) released over one hundred albums, many under his own record label Saturn Records. His sprawling recorded output is matched..
