

Recruitment Vacancy in the VMD Supply Team

News story

Details of a vacancy for a Higher Scientific Officer in our Supply Team.

This exciting and interesting job puts you at the heart of the VMD's work in facilitating the availability of medicines to veterinary surgeons and in part delivery of the VMD's transparency agenda.

You will be part of a team with diverse activities in a target driven environment where quality of service is essential.

Job Title

Higher Scientific Officer in the Supply Team

Grade

HS0

Salary & Pension

£32,557 – £35,888 per annum with Pension Scheme

Annual Leave entitlement

Commencing at 25 days

Role

This role requires an individual with the ability to problem solve, to prioritise and organise themselves and to support their team. It is an ever-changing environment and it is essential that the job holder can think on their feet and rise to challenges quickly and effectively.

We prefer applicants to have a scientific degree in a relevant scientific discipline, such as Biology, Pharmaceutical Science or equivalent scientific experience.

How to apply

You must make your application through [Civil Service Jobs](#) where you will find a full job description including salary details.
