

Red flag hoisted at Shek O Beach

Attention TV/radio announcers:

Please broadcast the following as soon as possible:

Here is an item of interest to swimmers.

The Leisure and Cultural Services Department announced today (June 13) that the Environmental Protection Department has classified the water quality at Shek O Beach in Southern District, Hong Kong Island as Grade 4, which means the beach is not suitable for swimming. The red flag has been hoisted. Beach-goers are advised not to swim at the beach until further notice.

The red flag was hoisted at the beach earlier due to big waves.
