

Relaunch of the West End Community and Sports Hub – survey

I recently participated in a very well-attended meeting at Harris Academy aimed at relaunching the West End Community and Sports Hub. There was a great mix of local sports clubs there and much enthusiasm.

To help the West End Community and Sports Hub relaunch to assist with and build community sport in the West End, there is now an on-line survey. This takes just a couple of minutes to complete and you can access it [here](#).
