

# Reopening of Fire and Ambulance Services Education Centre cum Museum

The Fire and Ambulance Services Education Centre cum Museum (FASECM) will partially reopen its exhibition facilities on September 14 (Monday), while interactive exhibitions, public programmes and group visits will remain suspended until further notice. As for individual visits, special arrangements will be made pursuant to the Prevention and Control of Disease (Prohibition on Group Gathering) Regulation (Cap 599G).

Due to the limited quota for admission, applications will be processed on a first-come, first-served basis. Interested parties can submit applications through the FASECM Online Booking System ([es.hkfsd.gov.hk/museum/en/](http://es.hkfsd.gov.hk/museum/en/)).
