

Reopening of Fire and Ambulance Services Education Centre cum Museum

The Fire and Ambulance Services Education Centre cum Museum (FASECM) will partially reopen its exhibition facilities next Monday (March 1) for visitors (no more than four persons in each group), while interactive exhibitions and public programmes will remain suspended until further notice. According to the Prevention and Control of Disease (Requirements and Directions) (Business and Premises) Regulation (Cap. 599F), visitors will be required to scan the "LeaveHomeSafe" QR code or register their names, contact numbers and the dates and times of their visits before entering the FASECM for necessary contact tracing if a confirmed case is found.

Due to the limited quota for admission, applications will be processed on a first-come, first-served basis. Interested persons can submit applications through the FASECM Online Booking System (es.hkfsd.gov.hk/museum/en). For enquiries, please call 2411 8691 during office hours.
