

Resumption of bus service on Shek O Road

The Transport Department (TD) today (September 15) said that Shek O Road has been reopened to vehicular traffic after emergency repairs. After bus trial, Citybus route no. 9 (Shau Kei Wan – Shek O) has resumed services with deployment of single-deck buses. The first departure has been departed from Shau Kei Wan and Shek O respectively at 6am.

The TD reminded motorists to pay attention to traffic conditions and drive with care as one-lane-two-way traffic arrangement is being implemented at some sections of Shek O Road.
