

Resumption of service at Community Vaccination Centres and Hospital COVID-19 Vaccination Stations

Attention duty announcers, radio and TV stations:

Please broadcast the following as soon as possible and repeat it at suitable intervals:

The Government announced today (October 8) that as the Black Rainstorm Warning Signal has been cancelled, all Community Vaccination Centres (CVCs) and Hospital COVID-19 Vaccination Stations (HCVSs) under the COVID-19 Vaccination Programme have resumed vaccination service at 12:45pm.

For persons with a booking affected by the suspension of vaccination service at the CVCs and HCVSs, their booking will be rescheduled to a later date and they will be informed of their new appointment date and time by SMS notification. If their booking is for the second vaccination dose, they may go to the CVC or HCVS they selected in their original booking during the remaining opening hours of the CVCs or HCVSs for vaccination today. Persons who have made bookings for the time slots within the available opening hours of the CVCs or HCVSs today should go to the CVC or HCVS at the time slot they selected in their original booking.
