

# Resumption of service at Community Vaccination Centres

Attention duty announcers, radio and TV stations:

Please broadcast the following as soon as possible and repeat it at suitable intervals:

The Government announced today (June 28) that as the Black Rainstorm Warning Signal has been cancelled, all Community Vaccination Centres (CVCs) under the COVID-19 Vaccination Programme have gradually resumed vaccination service.

For persons who have made a booking at the time slots within the opening hours of the CVCs after resumption of the service today, they should go to the CVC they selected at their original booking.

For persons with their booking affected by the suspension of vaccination service at CVCs, their booking will be rescheduled to a later date and they will be informed of their new appointment date and time by SMS notification. If their booking is for taking the second dose vaccination, they may go to the CVC they selected at their original booking during opening hours of the CVCs for vaccination today.
