

[Richard Burgon congratulates Lady Hale on her appointment as President of the UK Supreme Court](#)

Richard Burgon MP, Labour's Shadow Secretary of State for Justice, following the appointment of Lady Hale as President of the UK Supreme Court, said:

"I congratulate Lady Hale on her appointment. It is a welcome step forward to have the first female president of the Supreme Court.

"Such positive change is far too slow across the judiciary. Labour will review the judicial appointments process to ensure a judiciary that's more representative of society."
