

## [Robin's Nest yields hidden gems](#)

Robin's Nest Country Park celebrates the unveiling of the Lin Ma Hang Lead Mine after a year of revitalisation, transformed into an open museum showcasing its mining history and vibrant bat ecology.

News.gov.hk spoke to Agriculture, Fisheries and Conservation Department staff to learn about the site's once-thriving local mining community, revitalisation work and bat habitat as well as the conservation efforts in Robin's Nest and the neighbouring Shenzhen Wutong Mountain area.

The story is available at [www.news.gov.hk/eng/feature/](http://www.news.gov.hk/eng/feature/) today (January 5) in text and video format.
