

School facilities boost HK sports

The Government has been encouraging public sector schools to open up their facilities for sports organisations to enhance sporting culture.

News.gov.hk interviewed the assistant coach of the Hong Kong Women's National Ice Hockey Team to see how the Opening up School Facilities for Promotion of Sports Development Scheme and a primary school's synthetic ice rink have benefited both his players' development and the school.

The story appears on news.gov.hk today (August 12) in text and video format.
