The IFS have today warned that 250,000 children will be hit by the two-child benefit cap next year, rising to an extra half a million by 2029. Green Party Co-Leader, Adrian Ramsay, responded saying,

“Greens have unequivocally pledged to scrap the two-child benefit cap in our fully costed manifesto.

“Today I am urging the Labour Party to show real strength and conviction and join us in making this pledge.

“This one decision could lift 250,000 children out of poverty.

“The power to do this will be in Labour’s hands.

“But I want to be very clear.

“If they fail to do this, elected Green MPs will not let this rest.

“We will push them every day of the next parliament demanding that they do what is right.

“That is what a Green vote will enable – voices in parliament to keep Labour honest on these important issues.”
