

Secondary School Profiles 2021/2022 to be released on December 6

The following is issued on behalf of the Committee on Home-School Co-operation:

The Committee on Home-School Co-operation (CHSC) will release the Secondary School Profiles 2021/2022 (Chinese and English versions) next Monday (December 6).

The Secondary School Profiles 2021/2022 cover basic information on more than 400 secondary schools in Hong Kong including teaching staff information, class structure, school facilities, school characteristics, school life, extra-curricular activities, student support and the school curriculum, as well as the schools' teaching strategies, such as the whole-school language policy. The Profiles contain information provided and verified by individual schools, showing their situations as at September 2021.

The publication of the Profiles aims to provide comprehensive secondary school information for parents' reference. The Profiles also include "A Message from CHSC Chairman", which explains to parents the key points in choosing schools.

The electronic version of the Profiles, which will be uploaded onto the webpage of the Secondary School Profiles (www.chsc.hk/secondary/en), enables schools to update their information on the web directly whenever necessary, so that parents can obtain the most up-to-date school information. The printed versions of the Profiles will be delivered to primary schools for distribution to parents with children at the Primary Six level of the current school year.

Copies of the printed version will also be available for public reference at District Offices, public libraries and Regional Education Offices of the Education Bureau.

For enquiries about the Profiles, please call the Regional Education Offices (Hong Kong: 2863 4646; Kowloon: 3698 4108; New Territories East: 2639 4876; and New Territories West: 2437 7272) or the CHSC Secretariat at 3698 4376.
