

Service arrangements of Yau Ma Tei Methadone Clinic today

Taking into consideration transportation service disruptions and to ensure the safety of patients and staff members, the Department of Health today (November 14) announced that Yau Ma Tei Methadone Clinic will not open today. Those who have been receiving methadone treatment there can receive their daily dose at other methadone clinics.

Subject to the situation in other districts, the operating hours of other methadone clinics may also be adjusted today.
