

Service resumption for general out-patient evening clinics

The following is issued on behalf of the Hospital Authority:

The Hospital Authority announces that as the Tropical Cyclone Warning Signal No. 8 has been cancelled, its general out-patient evening clinics will resume service this evening gradually within two hours.

General out-patients whose telephone or mobile app booked appointment being affected by the typhoon may make a new appointment through the telephone appointment system or mobile app around one hour after the cancellation of the Signal No. 8. Chronic patients of general out-patient clinics and patients of specialist clinics who have scheduled appointments should call the respective clinics during office hour to make a new appointment.
