

Shopping and Prescription Support

Dundee Volunteer and Voluntary Action has now started a voluntary shopping and prescription service, thanks to the wonderful volunteers helping to provide this.

If you would like a volunteer to do your shopping for you, you can arrange this either by completing the form online at: www.getlocalsupport.org or by calling the Dial-OP line, weekdays between 9am and 5pm on 305757.

It has set up an invoicing system to allow you to pay for your shopping after it has been delivered in response to people telling them they were worried about running out of cash at home and having to go out to withdraw money in order for volunteers to do their shopping for them. This is an alternative for the people who are no longer able to pay with cash and hope that this will allow them to continue to get the shopping in that they want without having to leave the house or put themselves at more risk.
