

SITI to visit Canada

The Secretary for Innovation, Technology and Industry, Professor Sun Dong, will depart for a visit to Canada this evening (November 3). He will be going to Toronto, Ottawa and Waterloo to strengthen ties and co-operation between Hong Kong and Canada in areas such as innovation and technology (I&T).

During his visit to Canada, Professor Sun will meet with leaders of the local I&T industry and technology enterprises, and engage in exchanges with Hong Kong young people studying there. He will also deliver a keynote speech at the Seminar on Life Science and Global Health co-organised by the Hong Kong-Canada Business Association (Ottawa Chapter) and Invest Hong Kong. Moreover, he will visit local universities, research institutes and I&T parks.

Professor Sun will return to Hong Kong in the morning of November 8. During his absence, the Under Secretary for Innovation, Technology and Industry, Ms Lillian Cheong, will be the Acting Secretary for Innovation, Technology and Industry.
