

Smart Motorway Safety – Evidence Stocktake and Action Plan – our response

Jim O’Sullivan, Highways England Chief Executive, said:

Every death in any road accident is tragic, and we are determined to do all we can to make our roads as safe as possible. We will be taking forward the measures the Secretary of State for Transport has set out, and we will be improving further our information to drivers to help them be safer on all of our roads, including our smart motorway network.
