

SmartPLAY system to temporarily suspend service during facility upgrading

The Leisure and Cultural Services Department announced today (January 15) that, for continuous service improvement, the SmartPLAY system will be temporarily suspended from 11pm to 6am the following day on a daily basis from January 16 (Thursday) to 24 (Friday) for facility upgrading. Users who plan to use the system on the above-mentioned dates are advised to use it before or after the suspension period.
