

Sound Advice event

The poster features a dark blue background with vibrant yellow and pink geometric shapes and lines. At the top left, the event details are listed in white text. The top right corner contains the 'ddee' logo. The central focus is a large pink silhouette of a head wearing headphones, with a white musical note inside. A circular inset on the left shows a DJ with the text 'DJERFONE' and 'under 18s'. The title 'SOUND ADVICE' is prominently displayed in large white letters. Below the title, there are two columns of text providing details about the target audience, admission, and the speakers/workshops.

Q&A: WOMEN IN THE DANCE MUSIC INDUSTRY
WORKSHOP **UTTER STUDIOS**

Sound Advice is a free event and the first of its kind for 13 – 17 year olds considering a career in the dance music or events industry

Held on Saturday 5th May at the University of Dundee, Sound Advice features presentations and workshops from dance music industry professionals. Your pupils will receive advice on the key disciplines of what is now a multi-billion dollar, global industry; from record producers and DJs; venue managers and festival organisers; to graphic designers and lighting engineers. In addition, there will be a Q&A discussing how women can succeed in what is still a male dominated industry.

Later that evening there will be an opportunity for some pupils to spend an hour behind the scenes at the DDE Under 18's Dance Party.

This is a free event, with everyone giving their time for free in order to celebrate 2018 Year of Young People.

For more information and for pupils to register for their free tickets go to www.dusa.co.uk/soundadvice.

Please note attendance is limited to 120 and the free tickets will be allocated on a first come, first served basis.
