

Southgate's legacy is "one that restored a sense of real hope in our national psyche"

2. [Press Releases](#)

Responding to the resignation of England Manager, Gareth Southgate, [Green Party Co-Leader, Adrian Ramsay, took to X \(formerly Twitter\) to say:](#)

"Gareth Southgate has modelled a new form of national leadership that puts kindness and compassion at the heart of all we do.

His legacy will be one not only of extraordinary sporting achievements having secured two finals, but also one that restored a sense of real hope in our national psyche.

I wish him all the very best in what he goes onto next."
