

Special announcement on vessel fire in waters at Aberdeen South Typhoon Shelter (2)

Attention TV and radio duty announcers:

Please broadcast the following special announcement as soon as possible, and repeat it at suitable intervals:

A fire broke out on a vessel in waters at Aberdeen South Typhoon Shelter at 2.34am today (June 27). The Fire Services Department is conducting a firefighting operation.

There is heavy smoke at the scene. Although the air quality data collected at the air monitoring station in the Southern District of Hong Kong Island has not shown any abnormality for the time being, members of the public on Hong Kong Island, in particular, in the Southern District, may still be affected by the smoke and unusual odour carried by the wind. Hence, members of the public are advised to close their doors and windows if necessary, and stay calm.
