Appeals are made to members of the public to download and install the "LeaveHomeSafe" mobile app in advance and scan the QR code with the app before entering. Members of the public who opt for registering their personal information at the scene are reminded to arrive earlier to avoid delaying their visits as longer time is required for such registration.

The spokesman for the LCSD reminded members of the public to take note of social distancing. The number of people in group gatherings should not be more than that as stipulated by the law. The public must wear a mask before and after exercise at outdoor leisure venues. Moreover, the LCSD will adopt special measures at leisure facilities. Measures include limiting the number

of joggers in sports grounds and closing spectator stands. Furthermore, disinfectant carpets and alcohol-based handrub will be in place.

The LCSD will continue to monitor the latest developments of the pandemic closely and review the arrangements in a timely manner.
