

Special enrolment arrangements for LCSD recreation and sports programmes for December

The Leisure and Cultural Services Department (LCSD) will launch a new intelligent sports and recreation services booking and information system, SmartPLAY, to replace the existing Leisure Link Computerised Booking System in order to provide a one-stop electronic service platform for enhancing service quality. With a view to ensuring a smooth transition from the old system to a new one and minimising the impact of the transition on members of the public, the LCSD will advance the arrangements for community recreation and sports programmes (R&S programmes) for the month of December as detailed below:

Publication of webpage of the R&S programmes	From September 29 (Friday)
Enrolment for R&S programmes in each district	From September 29 (Friday)
Distribution for Community R&S Programmes booklet	From October 6 (Friday)

â€‹The above arrangements only apply to the R&S programmes to be organised this December. For further enquiries of the details, please contact the respective District Leisure Services Offices.
