

Special traffic and transport arrangements for 2023/2024 horse race meetings in Happy Valley

The Transport Department (TD) today (September 11) reminded the public that special traffic and transport arrangements will be implemented in Happy Valley during horse race meetings for 2023/2024 from this Wednesday (September 13).

The arrangements will mainly include:

* From about 1.5 hours before the start of the first race, the section of Wong Nai Chung Road southbound between Queen's Road East and the up-ramp outside the Hong Kong Jockey Club (HKJC) will be closed (except for vehicles heading for the Aberdeen Tunnel). The section of Wong Nai Chung Road southbound between Village Road and the up-ramp outside the HKJC will be re-routed to one-way northbound traffic.

* From about 35 minutes before the start of the last race, the following road sections will be closed to all vehicular traffic until traffic returns to normal:

- the up-ramp on Wong Nai Chung Road leading to the Aberdeen Tunnel outside the HKJC;
- the section of Wong Nai Chung Road southbound between Queen's Road East and the up-ramp leading to the Aberdeen Tunnel;
- the section of Wong Nai Chung Road southbound between Village Road and the Public Stands of the HKJC;
- the section of Leighton Road westbound between Wong Nai Chung Road and Canal Road East; and
- the section of Morrison Hill Road southbound between Leighton Road and Queen's Road East.

* During the period of road closures, franchised buses and green minibuses will be temporarily diverted until traffic returns to normal.

* The bus stops on Leighton Road eastbound near Matheson Street, Morrison Hill Road southbound outside the HKJC, at the junction of Leighton Road westbound and Wong Nai Chung Road, and Wong Nai Chung Road northbound opposite the main entrance of Public Stands of the HKJC, and the tram stop on Wong Nai Chung Road outside the Hong Kong Cemetery will be suspended until traffic returns to normal. Public transport operators will put up notices at the affected stops to inform passengers of the temporary arrangements.

* The taxi stand on Sung Tak Street will be suspended.

* Parking spaces on Wong Nai Chung Road southbound between Sports Road and Blue Pool Road will be suspended.

The TD anticipates that the traffic in the vicinity of affected areas will be very congested during the horse race meetings. Motorists are advised to avoid driving to the affected areas. In cases of traffic congestion, motorists should exercise tolerance and patience, and follow the instructions of the Police. Members of the public planning to go to the affected areas are advised to use public transport services as far as possible.

The TD and the Police will closely monitor the traffic situation and implement appropriate measures whenever necessary. Members of the public are advised to be alert to the latest traffic news on radio and television. For details on the special traffic and transport arrangements, members of the public can browse the TD's website (www.td.gov.hk) or mobile application "HKeMobility".
