

Statistical press release: Energy Consumption in the UK 2020

Press release

Statistical press release to announce the publication of the 2020 edition of Energy Consumption in the UK (ECUK).

The Department for Business, Energy and Industrial Strategy today (22 October 2020) releases the statistical publication Energy Consumption in the UK 2020.

The publication provides a comprehensive review of energy consumption and changes in intensity and output since the 1970s, with a particular focus on trends since 2000.
