

Statutory guidance: SR2015 No 21: 75kte materials recycling facility

Updated: Added to 'details' section: You can apply online for most standard rules environmental permits.

These standard rules allow you to operate a materials recycling facility at a specified location, provided that the permitted activities are not carried out within:

- 200 metres of a European Site, Ramsar site or Site of Special Scientific Interest
- 50m of any well, spring or borehole used for the supply of water for human consumption, including private water supplies

You can apply online for most standard rules environmental permits.
