

Statutory guidance: SR2015 No 39: use of waste in a deposit for recovery operations

Updated: Added to 'details' section: You can apply online for most standard rules environmental permits.

These standard rules allow you to store and use waste in a deposit for recovery activities involving construction, reclamation, restoration or improvement of land other than by mobile plant.

These standard rules are for the recovery of waste only and do not apply to any activities involving disposal.

See [waste recovery plans and permits](#) for guidance on how to produce a waste recovery plan to support your application for this standard rules permit.
