

Statutory guidance: SR2015 No 7: household, commercial and industrial waste transfer station with treatment (no building)

Updated: Added to 'details' section: You can apply online for most standard rules environmental permits.

These standard rules allow you to operate a household, commercial and industrial waste transfer station with waste treatment at a specified location.

The permitted activities must not be carried out within:

- 500 metres of a European Site, Ramsar Site or Site of Special Scientific Interest
- 50 metres of any well, spring or borehole used for the supply of water for human consumption, including private water supplies
- 500 metres of any residential dwelling or workplace
- a specified air quality management area

You can apply online for most standard rules environmental permits.
